

RESEARCH  
TRIANGLE  
**MRSEC**

Materials Research Science  
and Engineering Center

## 2017 Research Experiences for Undergraduates

The Triangle MRSEC is a collaborative center involving Duke University, North Carolina State University, North Carolina Central University and The University of North Carolina at Chapel Hill. We are dedicated to advancing the frontiers of knowledge in the areas of soft matter system and field-driven self-assembly.

A student is requesting that you refer them to our REU program. You can find more information about the program and projects available at [www.mrsec.duke.edu/reu](http://www.mrsec.duke.edu/reu)

### Instructions for Recommending a Student

Please email or mail a brief recommendation for the student that includes:

- The student's name
- Your name, affiliation and contact information
- How long you have known the student and in what capacity
- Why the student would be an asset to our research team

### Where to send your recommendation:

Email: Catherine Reyes at [catherine.reyes@duke.edu](mailto:catherine.reyes@duke.edu)

Postal Mail: Research Triangle MRSEC  
Attn: Catherine Reyes  
Duke University Box 90271  
Durham, NC 27708

Please send your recommendation by the application deadline March 1st. If you are using postal mail, please send it sooner.
